

Eagle River Speedway B-Mod and Stock Car Rules

It is our intent that these rules would allow a driver who competes with USRA, IMCA, WISSOTA to be able to race at Eagle River Speedway under the rules package they declare when they register for competition.

ERS B- MOD RULES

If you declare "WISSOTA" as your sanctioning body your car must fit Wissota's current rule package.

If you declare "IMCA" as your sanctioning body your car must fit IMCA's current rule package.

If you declare "USRA" as your sanctioning body your car must fit USRA's current rule package.

If ERS finds that anyone has what we determine to be an unfair advantage we reserve the right to amend the above rules.

ERS STOCK CAR RULES

If you declare "IMCA" as your sanctioning body your car must fit IMCA's current rule package.

If you declare "WISSOTA" as your sanctioning body your car must fit Wissota's current rule package.

Wissota Street Stocks are allowed to run headers.

If ERS finds that anyone has what we determine to be an unfair advantage we reserve the right to amend the above rules.
